It's Community Action Month!

May is Community Action Month! This Community Action Month we are celebrating 60 years of Community Action Agencies. That's 60 years of helping people and families reach their full potential with life-changing services like housing support, utility assistance, early childhood education and more!

There are over 1000 Community Action Agencies in the United States and we are honored to be a part of that Community Action Network!

Unity Circle

Presents:

Unity Circle: Pride

This circle program provides a safe and supportive environment for all youth with expansive gender identities and sexual orientations and their allies. It actively counters isolation, internalized self-rejection and other adverse health and mental health effects on LGBTQ+ youth due to marginalization. With respect for individual safety, control and preference, and with no requirement for self-disclosure, the circle promotes belonging, inherent value, and community resilience.

10 sessions, beginning Thursday June 6th, 2024

Thursdays from 12:00pm-1:00pm

Open to the public at no cost, all genders ages 12-18
