Our senior nutrition program provides hot, nutritious meals for local seniors. In addition to the meal, our staff also conduct a wellness check with every delivery, Monday-Friday.

A minimum contribution of \$3.00 is requested for each meal delivered. No person will be denied service based on inability to pay.

The home delivered meal program is available to seniors age 60 and older who struggle to prepare or obtain their own meals, and do not have anyone to provide the support for them.

We also have senior dining sites where all seniors, ages 60 and older, are welcome to enjoy lunch.

The meals are made fresh daily in our Jefferson kitchen and served hot in our dining rooms.

Lunch is generally served between 11:30 and 2pm, but call for serving times at the site of your choice.

For more information about our senior nutrition programs, or to sign up yourself, contact senior nutrition at 440-998-3244.

UPDATE: Home Delivered Meals and congregate sites should now be back on schedule. Thank you for your understanding as we tackled this issue.
